Upholding the Legacy:

My mom was an educator and a philanthropist. My husband and I wanted to keep her legacy alive and thriving by offering scholarships to assist students wanting to continue their education. So, Be By Intent in collaboration with Creative Experience Educational Inc, a nonprofit started by my mom (Dr. Sandra Scranton-Lee), established 2 scholarships in 2022. The current scholarship amount is \$500 per student.

Eligibility:

Applicants must be enrolled as a full-time or part-time student in a post-secondary higher education institution. Students in any area of study are welcome to apply. Post-secondary education includes colleges and universities, as well as trade and vocational schools.

Please email this application along with the required documents to:
